Sensitivity of Chloroplasts to High Temperature in Plants in the Backdrop of Climate Change

Name of Speaker: Dr. Jayanwita Sarkar, Assistant Professor, Department of Botany, Cooch Behar Panchanan Barma University

Date: 08.02.2023

Time: 1.00 PM

Venue: Dept. of Botany

Seminar conducted by: Dept. of Botany, A.P.C. Roy Govt. College

Participation by: Students and faculty of Botany

Activity Report: The seminar was conducted as an extension of the undergraduate curriculum to disburse the knowledge about the impact of global climate change on plant growth and development. The speaker discussed about the sensitivity of chloroplast on exposure to high temperature and their defence mechanisms against heat stress, with many experimental details. The students benefitted by the thorough discussion along with an open interactive session at the end of the seminar.

Memo: APCRC/23 Date: 6th February, 2023

This is to inform all the students, faculty members, non-teaching staffs that a seminar will held at Acharya Prafulla Chandra Roy Government College, Siliguri as per the following schedule:

Title of the Talk: Sensitivity of Chloroplasts to High Temperature in Plants in the Backdrop of Climate Change

Speaker: Dr. Jayanwita Sarkar

Affiliation: Assistant Professor, Cooch Behar Panchanan Barma University

Date and time: 8th February, 2023, 1.00 PM

Venue:

All are welcome to attend the seminar.
