### One Day Seminar: Basics of Heterocyclic Chemistry

**Name of Speaker:** Dr. Lovely Sarkar, Assistant Professor of Chemistry, Siliguri College, Siliguri.

**Date:** 16.03.2023

**Time:** 4:00 PM

**Venue:** Dept. of Chemistry

**Seminar conducted by:** Dept. of Chemistry, A.P.C. Roy Govt. College

**Participation by:** Students and faculty of Chemistry

**Activity Report:** The speaker not only covered the rudimentary knowledge of heterocyclic chemistry but also elaborately discussed the impact of heterocyclic compounds in human physiology. The speaker nicely pointed out how inclusion of one or a few specialized hetero atoms within a carbocyclic ring creates a completely new family of compounds. She included synthesis, properties and several chemical reactions in her lucid presentation. She also kept a few chemical puzzle solving aptitudes in her lecture. The cognition power of the audience has been enhanced by this informative lecture. In the interactive session audience put forward many innovative ideas in the academic platform. The approach of the speaker towards the query of the students was highly appreciable and made students feel free in asking a good number of questions. Most of them are sorted out and a few are bundled out as take home messages. In this seminar audience synchronize the portion covered within the syllabus and the vast interesting world controlled by the subject kept outside the framed curriculum. As an outcome of these two seminars, precisely it can be said, a seed of all round development has been inculcated by the Department of Chemistry within the heart and brain of its growing children.
